Tanfield Lea Community Primary School

Dialogic Reading Across Early Years for our 2-5 Year Old Children

Tanfield Lea Community Primary School

Early Years English Reading Spine

"Reading frequently to children, and engaging them actively in stories, non-fiction, rhymes and poems, and then providing them with extensive opportunities to use and embed new words in a range of contexts, will give children the opportunity to thrive" EYFS Framework 2021

Adults in Pre-School and Reception have compiled a bespoke range of core texts that have been carefully selected to reflect their passion and enthusiasm for sharing books. The EYFS team are all keen readers and we want to encourage a life-long love of reading! This starts off as a small range of simple, high-quality texts written by various authors, which increase in complexity as children's comprehension skills develop.

Fiction

Teachers share the texts repeatedly during whole-class story sessions and make them available in the book nook for children to read independently. We also encourage the children to take these books home to share and record staff reading them on our school YouTube site. Some of our fiction texts offer the opportunity to use 'Stories for Writing' techniques. The children 'act out' to bring texts that they have read alive! This makes them familiar with the language, vocabulary and structure of books written by a range of authors during their time in the unit

Non-fiction

Although we don't specify which Non-fiction books we will use within our book spine, non-fiction is incorporated into the Early Years Unit, both indoors and out for children to access as they play in different areas of the learning environment, e.g. there are various recipe books in the domestic role play area and children copy the pictures from these to bake imaginary cakes. For all curriculum areas we use non-fiction texts as well as internet research to make our learning sticky and to learn new facts. Newspaper / internet articles are used as they arise throughout the year that take account children's interest and raise awareness of topical events / current affairs.

Poetry and rhymes

Children are exposed to a widening range of rhymes and poems with increasing complexity during their time in Early Years.
In addition to the books listed we also use a range of genres that follow children's changing interests, e.g. Children are encouraged to bring in their favourite books from home and we regularly visit our school library to ensure that books follow up our "Wow" moments from class.

"Listening to a broad selection of stories, non-fiction, rhymes and poems will foster children's understanding of our culturally, socially, technologically and ecologically diverse world". EYFS framework 2021
