

Opening Doors, Enriching Lives

Fundraising with Fundamentas

Help us to raise funds for our Traversing Wall with Fundamentas.com

This term we are installing a traversing wall on the Lower School Yard. To help us to fund this, we have partnered with [Fundamentas.com](https://fundamentas.com), a locally based online marketplace where up to 20% of every purchase is donated towards school fundraising.

We have been very fortunate in securing funding from Nissan Skills Foundation to pay for the use of Fundamentas; this is normally £250. This means every penny raised will go towards our fundraising goal.

On Fundamentas, you can buy products such as perfumes, toys and electronics from big brands, including LEGO®, Gucci and PlayStation. However, the most exciting part is the fast-growing "Shop Local" section, featuring unique gifts from local producers.

How to shop on Fundamentas.com

1. Browse the store, each product will display the donation amount available.
2. Add items to your basket and click the checkout button when you are ready to buy.
3. During checkout, select our school name from the "Your Selected School Dropdown"
4. Your order will be processed, and the contribution amount indicated will be donated to our school fundraising

Get 10% off LEGO® your first order.

Fundamentas will be running some fantastic offers and promotions this year, and the best way to keep in the loop is to join their mailing list. If you sign up, you will receive 10% off your first LEGO® order, sign up here:
