Dear Parents and carers,

9th March 2022

Money paid for Northern Stage visit December 2021

Thank you for your patience while we have been trying to claim money paid for our cancelled visit to the Northern Stage in December. We have now received a full refund.

I would like to suggest that we retain the money you have paid and put it towards educational visits that we are planning this year.

Y2 will visit St. Mary's Lighthouse in the summer term

Y3 and Y4 will be visiting Beamish Museum this term

Y6 will be visiting Adventure Valley towards the end of the summer term

If you were to do this then when the visit letter goes out we would inform you if there is any additional voluntary contribution to be requested.

Y5 don't have any further educational visits planned as they visited the Discovery Museum earlier in the year; we would like to suggest to parents of children in Y5 that we put the money towards the Northern Stage Theatre visit December 2022.

You will receive further details about these trips in due course.

I hope you agree with this proposal as it will save the school money as we are charged to process refunds and payments through the SchoolComms system.

If however you would like your money refunded then please contact the office to request this and we will arrange for a cheque to reimburse your contribution.

Kind regards

Mrs Cooke

School Business Manager
