Dear Parents and Carers,

April 2023

We hope the children have had a lovely Easter and are looking forward to all the summer term has to offer.

The end of last term was a busy one. If you follow us on twitter, you'll have seen the great egg decorating completed by the children. As ever they were very creative and enjoyed taking part. Thanks to all the KS2 parents who were able to come in and help with this. Huge thanks also to the Friends of Tanfield Lea who organised the Easter Raffle and Coffee Afternoon, which was well supported. They raised a massive £541 which will go towards funding enrichment activities for the children.

KS2 led their Easter Celebration Service at St. Margaret's retelling the Easter Story as well as reciting some classic poems, some humorous ones and some original poems. The afternoon was enjoyed by all involved.

It was also lovely to see so many enjoying the Litter Pick in the woods adjacent to our school. Thanks to the School Council for organising this.

Y4 enjoyed their Multi Sports event and our Y1 and Y2 football team won the inter school competition. Well done to all involved.

This half term is an important assessment term. Y2 and Y6 will take part in the national assessments and all other children will be assessed on their progress this year.

It's therefore very important that the children are in school as much as they can be.

It's never ideal requesting Leave of Absence during the school term but even more important during this half term.

Things to look forward to this term:

We have some year groups going on Educational Visits linked to their learning in school. Early this term Pre-School will visit Hall Hill Farm on Wednesday 26th April and Reception will be visiting the Great North Museum on Wednesday 3rd May.

Creative Pop - Our Y3 have been lucky enough to be selected to take part in an Art Project funded by the Forge (https://www.intheforge.com/ who secured the funding from the Paul Hamlyn Foundation). The focus for the project is to support children's emotional well-being through art and the project will culminate in the children being involved in creating an art installation for our school. Year 3 children will have the opportunity to work with the artists this term. If you want to know more about Creative Pop then follow this link https://www.creativepop.uk/home.

Our **Annual Art Exhibition** will be on Tuesday 23rd May. The exhibition will celebrate some of the artwork children have produced this year. Parents are invited to view the gallery and enjoy a coffee (courtesy of the Friends of Tanfield Lea) on the afternoon from 2 p.m. (Main gates will be opened for access between 2 and 2:15).

The Friends also have another two fundraising events planned. Tuesday 25th April is a **Bingo Night** – please come for 6 p.m. Wednesday 28th June will be a Fashion Show.

who work together to provide additional opportunities for the children. These include discos, funding for fun days, transport for school trips and leavers hoodies Without our help these wouldn't be possible. If you have a few hours to spare and can help with

fundraising please contact school on 01207 234500

The Friends will send out more information later but it is planned to start at 6 p.m.

The group are now moving forward (post Covid) and are keen to recruit new members.

Strike Days

As you may be aware there are two more strike days planned for this coming half term. They are Thursday 27th April and Tuesday 2nd May.

It is looking as though the same classes will be affected again with all classes listed below being closed all day on Thursday 27th April.

On Tuesday 2nd May, if staff do strike, Mr McIntosh's class would be closed all day but all other classes will be able to open for the afternoon due to the fact that those teachers have their Planning and Preparation time on a Tuesday afternoon and so we can have our usual cover arrangements in place. I will write again at the end of this week to confirm arrangements. Classes currently impacted by strike action:

1D Mrs Davidge
12B Mrs Brown
2W Mrs Wilkinson
3B Mrs Brotherston
3Mac Mr MacDonald
4Mc Mr McIntosh

If your child is **not** in one of the above classes, they will be expected to attend school as usual as they are not affected. Once again, I am sorry for the inconvenience this is causing.

Inappropriate Use of Social Network Sites

Most people take part in online activities and social media. Our school actively use Twitter @TanfieldPrimary and the Friends of Tanfield have their Facebook site. These are online school groups, managed by our school for parents, and they are a great way to share the many things happening in school.

Social media is, unfortunately, being used increasingly to fuel campaigns and complaints against schools, headteachers, school staff, and, in some cases, other parents or pupils. This is unacceptable to all and will not be tolerated.

We always try to make sure that the school is a happy place but recognise that there might be times when parents/carers have concerns. It is not appropriate or acceptable to share your concerns on social media. You are encouraged to raise any issues with a member of staff; if you consider that the issue remains unresolved, then please use the School Complaints Policy.

Collecting your children at the end of the day

Thanks to all parents who are following our one-way system to enter and exit school. It really does make a difference in reducing congestion on the grounds.

When you are picking up on both yards but particularly the Lower School yard, could you please stand back and not crowd the area around the doorway. This will allow the staff and children to come out and have a clear view of adults on the yard, ensuring that all children can leave safely. Many thanks for this.

Finally the following pages are the significant dates for this term and the holiday dates for the next academic year, for your reference.

Holiday Dates for 2023 - 2024

Please book holidays during our holiday periods. We deliberately plan to have 3 of our Teacher Training Days in May, linked with the May Half Term break, so that families can potentially benefit from cheaper prices. We cannot authorise holidays taken during term time and as well as impacting on a child's attendance it can significantly impact on their learning and friendships. Please note that these may differ from other schools in the area due to Teacher Training days.
