

NEW AUTUMN/WINTER MENU

OUR NEW MENU LAUNCHES IN NOVEMBER!

We make sure our food is 'Thumbs up' taste tested in schools with the real critics – the children! Look out for delicious, familiar dishes – **pizza**, **pasta**, **roast** and **fish**, plus some new additions too like **Chinese Sticky Lemon Chicken** and our fibre packed **Onion Bhaji** and **Beany Vegetable Burgers**, both with a 'bean boost' that is good for children's health and the planet.

Our tasty desserts include fruity favourites, warming custard cakes and crumbles, and of course popular chocolate delights, to finish off nutritious lunchtime meals.

FOODIE FUN!

EACH MONTH, WE PREPARE A DELICIOUS THEMED MENU FOR EVERYONE TO ENJOY

From savouring Indian delights for '**Diwali's Festival of Lights**', a toasty '**Let's Rocket**' Bonfire Night extravaganza inspired by fireworks, flames, and fun, to a bean boosting 'Full of Beans' menu in association with Veg Power, plus we end the year with our traditionally festive '**Christmas Lunch**'.
